Shipboard Information

Hand Washing

In a confined environment such as a ship, viruses can be easily transferred. Hand washing is a simple and effective method of reducing the risk of contamination. In addition, we ask you to make use of the alcohol hand gel prior to entering our food service areas.

Use of Smoking Areas

Guests who smoke are reminded not to dispose of any cigarette ash or butts over the side of the ship. Please use the ash trays provided. Any cigarette butts thrown over the side of the ship may be drawn back into the ship where they may lay undetected and potentially cause a fire.

Smoking On Board

Smoking is not permitted in cabins, on cabin balconies or in public rooms, but will be permitted in designated areas of the open deck. Ashtrays are available in these locations; Deck 7 (Aft) starboard side, outside the Live Lounge, Deck 16 (Aft) starboard side, outside the Horizon Buffet and Deck 7 (Midship) starboard side outside Java.

Lift Use On Board

All on board lifts have automated doors, so please be careful when using them. We request parents to accompany their children in lifts if they are under the age of 12. Please do not use the lifts in case of a shipboard emergency situation. Out of consideration for your fellow guests, preference is to be given to wheelchair users and other mobility impaired guests for the use of the lifts. Staircases are available to all decks on the forward and aft of the ship.
