

Bubbles are the star of the show at Flutes and if you're a fizz fan our push button service will pop your cork. Add some oomph to your order with a sparkling Bellini. Or keep it classic and opt for a delicate glass of Bottega.

PROSECCO

Prosecco was produced as far back as Roman times using the Glera grape, which initially grew near the village of Prosecco on the Karst hills above Trieste and was then known as Puccino.

TANTALISING BELLINIS

Italy already had a long tradition of marinating fresh peaches in wine before Guiseppe Cipriani started bartending at Harry's Bar in Venice, but it was his creativity that took the concept to new heights when he mixed white peach purée and a touch of raspberry juice with sparkling Prosecco in 1931: the birth of the now famous Bellini.
