Magic of Spain

Arrival: 09.00

All On-board: 17.30

Welcome to

Cartagena, Spain

Tucked in a deep bay guarded by two cliff-top fortresses, this Spanish gem is steeped in history. In the 18th century it became a major Spanish naval base and reminders of its seafaring past can be seen down in the port, where you'll find a prototype submarine.

Distance to town: It's around a 10 minute leisurely walk to the centre of town today – just turn left when leaving the port and enter the town via the main square area.

- Take a wide-eyed walk through the city, which flaunts splendid reminders of its golden age. Don't miss the city's castle, Castillo de la Concepcion, which offers up great views over Cartagena.
- Head for Murcia, the regional capital city and an open-air museum whose centrepiece is a beautiful cathedral. It's particularly famous for its two ornate side chapels – the Gothic Capilla de los Velez and the Renaissance Capilla del Junteron. Simply breathtaking.
- See the famous La Manga Strip, a strip of land which separates the Mediterranean Sea from Mar Menor, Europe's largest lagoon.

SHORE EXCURSIONS

Shore Excursion Arrangements - Cartagena

If you're joining one of our organised shore excursions today in Cartagena, we ask that you meet outside the ship at the buses 10 minutes before your tour departs. Please don't arrive any earlier as there will not be anywhere for guests to wait whilst ashore. We advise you to have your tickets in hand, so we can easily identify guests who are on a shore excursion. Don't forget to take plenty of water and wear comfortable walking shoes. Have a great day!

Plan Ahead For Palma: Soller Train

Got a late flight home, or staying for a second week? Join us on this vintage journey by electric train as you chug through the countryside heading to Soller. The old-fashioned train ride has become Majorca's most popular attraction - you'll trundle by almond and olive groves, passing through dinky villages and pine-clad peaks. Once in Soller, there'll be a short walking tour of the town before enjoying some free time for shopping. 4 hours approx. | £45 per adult, £20 per child

MEET THE TEAM

Kamish Suleiman
Sales Associate

This Professional Photographer left his nine to five job in Cape Town, South Africa and took the risk of working with all walks of life at sea. Being away from his family is a struggle but he is really enjoying giving special offers and providing an overview on what the Shops can offer! When he is at home, he just can't wait to have the Gatsby sandwich, why? It's ten times bigger than a regular subway sandwich!
