Welcome onboard Marella Voyager

We're delighted you've chosen a Marella cruise and we're excited to tell you more about the newest addition to our fleet... Marella Voyager. During a six-week stint in dry dock we gave her a dramatic multi-million pound makeover. With 10 bars and 10 restaurants for you to choose from - with 6 of our eateries included in the price of your holiday, you've got more options than on any of the other ships in our family. In our speciality restaurant offering you'll find Marella Cruises favourites like Kora La & Surf & Turf, but for or a really special treat visit the Marella Voyager exclusive, Silver Fork. The menu here lines up a stack of British favourites, with a modern twist. Delve in to a tasting menu here which is paired with select wines. **Abuela's** lines up a menu of classic Mexican options, while **Platter** includes boards topped with cheese, meats or veggies - either for one or to share. It's goodbye traditional buffet and hello food hall as we introduce you to **The Kitchens**. A brand-new food hall made up of eight different eateries. Some of the highlights include traditional roast dinners at **Gravy Boat**, Asian curries at **Banyan Leaf**, and Greek-style pittas at **Athenas**. Other new venues include **The Arts House** - you can play shuffleboard or get stuck in to some arts and crafts here in the daytime. Come evening, live singers and musicians take over entertainment duties. Or, head to the **Electric Rooms** - our club and casino-style venue, where you have everything you need to keep the good times going after dark. For something truly exciting we bring you **The Exchange** - an adult's only bar with a hidden-away feel to it, and once you find it, you won't want to leave. On selected evenings you can expect live music and immersive entertainment, which you'll need to pre-book in advance via Navigate on other evenings it's a 'walk in' affair. And, there's plenty more besides this. We know you're going to have as much fun exploring as we have had bringing her to life.

CRUISE NOTICEBOARD

Introducing Marella Voyager's Godmothers

It's a longstanding tradition for ships to honour a Godmother and we're pleased to introduce you to two of our most dedicated staff who take up this important role for Marella Voyager. Tatyana Olkhovska is from Ukraine and joined us as a Receptionist in 2003. She's been with Marella Cruises ever since and became Chief Purser in 2007. Our second Godmother is our Senior Destination Services Operations Manager Jacqui Nobile from the UK who started with TUI in 1994 as an overseas Representative in Menora, and moved to the Marella Cruises family in 1996. Keep an eye-out for their names which sit proudly above the two shops as you enter The Exchange.

Explore Ashore On Two Wheels...

We've got a great selection of e-bike tours available this cruise, taking you to some wonderful places. All of our bikes are now electric as standard and they're a great way to explore our ports of call. Take a look at Navigate for more information, and to book see one of our Bike Guides Darragh or Jake at the Bike Desk, Deck 5.

Just For Grown - Ups

Just like Cinderella, children and teenagers onboard should make sure they leave the ball in The Electric Rooms before midnight. After midnight, The Electric Rooms is an over 18's zone.

SHORE EXCURSIONS

New Name, Same Friendly Service...

Destination Services becomes Destination Experiences onboard Marella Voyager, but we're the same friendly team and look forward to meeting you. Whether you're looking to join one of our excursions, or fancy exploring on your own, we're here to point you in the right direction. Pass by and see the team at Destination Experiences on Deck 5.

Port Showcase - Day At Sea, 10.30 Broadway Show Lounge

Join our Destination Experiences team in the Broadway Show Lounge (Deck 7) at 10.30 tomorrow morning (Day at Sea) as they talk through our upcoming ports of call and excursions on offer this cruise in our Port Showcase. Plus, they'll give you the low-down on the best things to see and do ashore. If you pre-booked any excursions in the UK, we recommend coming along to find out what to expect and to ensure the excursions you've booked are the right ones for you.
