Magic of Spain

Arrival: 08.00

All On-board: 16.30

Welcome to

Malaga, Costa Del Sol

Set on the sun-drenched Costa del Sol, Malaga is a Moorish delight. During the Arab occupation of Spain, the city was the principal port of the Moorish kingdom of Granada. So what does that mean for you? It means the city of Granada and its striking Alhambra Palace are just a short drive away. Prepare to be blown away.

Distance to town: It's around a 20 minute leisurely walk to the centre of town today – just follow the walkway along the seafront. You'll find a selection of restaurants and bars along the way to the town near to the marina area. Or, if you fancy a beach day turn right at the end of the pier and you'll find yourself directly on the golden sands.

- See Malaga's 16th-century cathedral. It's known as 'La Manquita' or 'one-armed woman' because lack of funds meant only one of the two planned towers was completed.
- The caves in Nerja, an elegant old town on the edge of a cliff, are among the largest and most spectacular in Europe.

Tonight's Performance

Shore Excursion Arrangements - Malaga

If you're joining one of our organised shore excursions today in Malaga, we ask that you meet through the terminal at the buses 10 minutes before your tour departs. Please don't arrive any earlier as there will not be anywhere for guests to wait whilst ashore. We advise you to have your tickets in hand, so we can easily identify guests who are on a shore excursion. Don't forget to take plenty of bottled water and wear comfortable walking shoes. Have a great day!
