Arrival: 09.00

Welcome to

Gibraltar

Affectionately known as Gib or The Rock, Gibraltar is a little slice of Britain in the Mediterranean. And, just like the motherland, it's a small stretch of land with a lot to offer. The history here is largely military-related – you'll find Nelson's anchorage where the body of Nelson was brought back to land after the Battle of Trafalgar, and the Parson's Lodge Battery that dates back to 1875. Elsewhere, wildlife steals the show. Check out the cheeky Barbary apes or go whale-watching in the Strait.

Distance to town: It's around a 20 minute leisurely walk to Casemates Square (the main town area) or you can take-up taxis operated by the port to the town for £3 one-way or £4 return. Just so you know... as there'll be two ships in port today, there could be queues for the taxi services during peak times.

- Explore the Rock's famous attractions like the Moorish Castle and the fascinating Gibraltar Museum, where you can learn about the island's role in the World Wars as well as its prehistory.
- Inside the Rock, you'll find more miles of road than on the outside. Check out the Great Siege Tunnels and St Michael's Cave.
- Thinking of something to do ashore this evening? Head to Ocean Village, just a 15 minute walk from the ship. You'll find a wide selection of bars and restaurants within the marina area.

SHORE EXCURSIONS

Shore Excursion Arrangements - Gibraltar

If you're joining one of our organised shore excursions today in Gibraltar, we ask that you meet through the terminal at the buses 10 minutes before your tour departs. Please don't arrive any earlier as there will not be anywhere for guests to wait whilst ashore. We advise you to have your tickets in hand, so we can easily identify guests who are on a shore excursion. Just so you know... the buses here are smaller minibus style buses, so it isn't possible to store any wheelchairs, walkers or electric scooters on the buses.

Plan ahead for Malaga: Bioparc Fuengirola

This animal park is a little different to the norm - all of the species here live in detailed recreations of their natural habitat. You'll see areas that mimic Madagascar, South-East Asia and the Indo-Pacific Islands. Residents include hippos, chimps, silverback gorillas, Sumatran tigers and leopards. Afterwards, you'll be left to explore under your own steam in Fuengirola. 4.5 hours approx. | E35 adult, E19 child. Just so you know... spaces on excursions for Cadiz and Malaga are filling-up fast! Take a look at Navigate or the kiosks for more information and to book.
