Welcome to Greenock

Arrive: 8.00am

Departure: 6.00pm

Please note: Only guests booked on one of our organised shore experiences will be allowed to go ashore in Greenock.

This is your gateway to Glasgow. Originally a small salmon-fishing village, the 19th century Industrial Revolution turned Glasgow into a prominent city. In 1990 it was voted European City of Culture and today it's known for its fabulous designer shops and unique culture. Art lovers will certainly enjoy this city. It's here that Mackintosh met his future wife and much of the work on display here is borne of their artistic collaboration. As well as his iconic furniture designs, you'll see work from other artists and designers who collectively created "The Glasgow Style". Other attractions include the Museum of Transport and the 13th century cathedral and necropolis.

Postage

Postcards and letters can be posted from Reception on Deck 5, Atrium. P&O Cruises uses a 'Concierge Postal Service' offering a flat rate for posting postcards or letters at £2.30 from today's port of call, to anywhere in the world. This postal service will close two hours before the back on board time. Any incoming postcards or letters will be delivered to your cabins.

Exploring Ashore

If you are booked on a Shore Experience today, you are requested to make your way ashore using the gangways as advised in the arrival broadcast and on the TV signage around the ship. Once you make your way ashore please follow the directions towards the coach parking area where members of the Shore Experiences team will be on hand to guide and assist you. Please be advised there is a walk of approximately 500 metres to reach your coach.

Due to strict Covid-19 protocols within the port area there will not be anywhere for guests to wait whilst ashore. We kindly ask that you are in the coach parking area 15 minutes before the departure time printed on your tour ticket and do not arrive any sooner.

Please have your tickets in hand, one per person when coming to the gangway to disembark the ship. Do not come to the gangway more than 30 minutes before your tour departure time as you will be asked to remain on the ship and wait in one of the onboard venues until it is your time to disembark.

Only guests booked on an organised P&O Shore Experience will be allowed to go ashore.

Shipboard Information

Passport Ashore

You do not need to carry your passports / ID Proof ashore today.

Please note: Only guests booked on one of our organised shore experiences will be allowed to go ashore in Greenock.

Crew Drills

At 10.00am this morning, alarms will be sounded and broadcasts made as the crew are exercised in their Emergency Duties. During this exercise, limited guest services will be provided. You are advised that part of the exercise involves checking guest cabins to ensure that they have been evacuated. If you prefer not to be disturbed, please display the "I'm resting" notice prior to the start of the drill. Guests are strongly encouraged to broaden their knowledge of maritime safety by watching the safety program which is available through the in-cabin television system.

Have You Lost Something?

If you think you have misplaced an item whilst on board, please check at Reception (Deck 5) Forward as it may have been handed in. If you have picked up belongings left behind inadvertently by another person, we ask you to return those to Reception. Some items may not appear to have a great monetary value, however there may be great sentimental value attached to them.

Ship's Security Notice

In order to prevent unauthorised persons boarding the ship, you are required to carry your "Cruise Card" with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Be aware that we have established a secure area around the vessel and our security procedures require that you must be prepared to show your cruise card when entering this area, in addition to showing it to the security staff at the gangway when leaving or boarding the ship. We kindly ask you not to accept and bring on board any parcels or packages from strangers. Before boarding the ship, you may also be asked by our security staff to open parcels or handbags which you are carrying. We are sure that you will appreciate this security is in the best interests of all concerned.

Minors Going Ashore

Unaccompanied minors who go ashore/disembark are at a greater safety and security risk. Upon scanning the cruise card at the gangway, the system will flag minors under the age of 16 by sounding an audible tone and highlighting the individual's age. An affirmative check that the minor is accompanied by an adult will be made to allow the minor to leave the ship. If necessary, assistance will be provided to the minor to locate a family member or other responsible adult.
